# The Institution of Engineers (India)
## SAFETY AND QUALITY FORUM

### SAFETY/QUALITY AWARDS 2023

## ABOUT THE INSTITUTION OF ENGINEERS (INDIA)

The Institution of Engineers (India) set up in 1920, is the largest body of professional engineers in India with a membership of nearly 9.0 Lacs. Safety and Quality Forum of The Institution of Engineers (India), established in the year 2003, is engaged in promoting the knowledge and information in the field of Safety and Quality. The aim of the Forum is to network with various national, regional and local government bodies; as also with the industry, public and private sector, academia and others and inculcate the concepts of Safety and Quality in application and operations.

## ABOUT THE SAFETY & QUALITY AWARDS

Safety & Quality Awards have been instituted by the Safety & Quality Forum of The Institution of Engineers (India), with a view to encourage professionals from Manufacturing and Service Sectors to strive for excellence.

*IEI's – Safety & Quality Awards would help*

a) Encouraging professionals to make significant improvements in safety & quality practices for maximizing workforce and consumer satisfaction and for successfully facing competition in the global markets;

b) Recognizing the achievements of those professionals who have improved in the field extensively and thereby set an example for others;

c) Establishing guidelines and criteria to evaluate competency of professionals.

## THE AWARDS

The Awards will be presented on the basis of applications received from different individuals and selection made by a Committee approved by the SQF, Board of Governors. Each winner shall receive an award i.e. a Plaque of Honour along with a Certificate and Citation.

The Committee will be empowered also to short-list individuals who might not have otherwise applied.

Award winners can use the Award Logo on their print and promotion materials by mentioning the Year of the Award and the name of The Institution of Engineers (India) and Safety & Quality Forum.

These Awards are given every year. The Safety & Quality Awards 2023 will be presented at the **38th Indian Engineering Congress** to be held during 27 – 29 December 2023 at Jabalpur.

## BASIS OF EVALUATION

The assessment of applications will be done to identify contribution of professionals in the field of Safety/Quality through Innovations, Creativity, Achievement, Commitment, Well Researched, Replicability and Sustainability.

## ELIGIBILITY TO COMPETE FOR THE AWARD

An applicant is eligible to compete for the award, if he/she satisfies the following conditions:

a) Applicant is located in India,

b) Applicant has been working in the concerned field for at least ten years as on last date of the application.

c) Applicant has never been convicted by any court for deficiency in products or service and/or found guilty of financial irregularities by any regulatory authority or court. An undertaking to this effect will have to be submitted.

d) Applicant is not involved in profession relating to manufacturing of products like tobacco and liquor etc., which are injurious to health.

## ASSESSMENT CRITERIA

The assessment will be made on the basis of different parameters to be identified from time to time.

Emphasis will be placed on safety & quality achievement and quality improvement as demonstrated through the information provided by the applicant.

## ASSESSMENT PROCESS

All the applications received shall be screened as per the criteria laid down on the basis of information provided by the applicant. Applicants selected in preliminary screening will become eligible for final assessment and fact – finding exercise. A team of experts appointed for this purpose would evaluate and assess the applications.

## FINAL SELECTION

A Jury of experts will recommend winners for the Safety and Quality Awards based on the evaluation of the written applications and the results of fact-finding exercises.

The final selection will be approved by Committee formed by the Safety and Quality Forum, Board of Governors.

## NON-DISCLOSURE AND CONFIDENTIALITY

Names of applicants, examination and scoring information developed during the review of applications shall be regarded as proprietary and kept confidential. Such information shall be available only to those individuals directly involved in the assessment and administrative processes and shall not be disclosed.

Decision once taken cannot be challenged in any forum.

## RIGHT TO REJECT APPLICATIONS

Applications that do not fulfill the requirements mentioned in the announcement may be rejected. The team of experts also reserve the right to reject applications considered to fall below the standard required. The decision of the Committee appointed for this purpose shall be final and binding on all concerned in all respects.

## SUBMISSION OF FORMS & LAST DATE

2 copies of enclosed nomination proforma duly filled by the applicant may be sent to the following address through the proper channel of employer (if employed) to reach the Chairman, SQF before November 27, 2023 :
